

# IN STOCK REPORT **MSRP**

INVENTORY AS OF  
**2/1/2022**

To our Friends and Partners,

Product availability is a challenge we all face at the moment, and we're making sure that you have the tools to continue your sales.

In your hand is a copy of our latest **IN STOCK NOW!** booklet, featuring only items that are ready to sell. *These items are in our California – City of Industry warehouse ready to ship or pick up.* This booklet is designed for you to use in your store, so you can focus more on closing the deal and worry less about availability.

**For use in your store**

Remove this page and start using this booklet in your store. Your customers will appreciate that everything in this booklet is available! Let them pick from a wide variety of FOA products in multiple categories. Go online or refer to the new 2021-2022 Catalog for bigger pictures and more product information.

**Showing only MSRP price**

For the booklet to work in-store, we made sure we only show MSRP prices. We intentionally priced these items higher with your markup in mind, leaving you plenty of room to offer attractive discounts to your customers.

**Quantity as of date provided**

All quantity shown is accurate as of the date printed on the top right of each page. However, inventory changes constantly, and we cannot guarantee an item if it is not picked up right away.

Please be reminded that we operate in a *"first come, first served"* basis, and that placing an order DOES NOT reserve or put products on hold for you. Before scheduling pick up, please double check with our sales representatives or check our website for availability.

We hope this will help you in making more sales as we head into the (hopefully) busy holiday season. Thank you for your trust and loyalty.

Sincerely,

Furniture of America
